

IBC™ Brand MT Series Cleaning Tools

The US Conec IBC™ Brand Cleaners MT series mechanical cleaning tools are designed for cleaning the fiber arrays on MT based connector systems. These tools are capable of cleaning MT based connector systems loaded in a bulkhead adapter, on the card edge, the backplane and on unmated cable assemblies. The IBC™ Brand Cleaners will clean both female (no guide pin) and male (with steel guide pins). These tools will clean both flat polished multimode and 8° angled singlemode MT ferrules.

There are some MT based connector systems that require the use of an adapter to align the IBC™ Brand Cleaning tools. The adapters are listed below. Please contact US Conec if you have any questions or would like confirmation to verify which tool you need. We are here to help you.

Features

- Cleans male and female MT ferrule
- 525+ cleaning per unit
- Simple push style or dial turn engagement
- Nozzle is keyed for precise alignment of the cleaning tip to the fiber array
- Alignment cap lid opens for cleaning the unmated connectors
- Cleans connectors loaded in a bulkhead adapter and on unmated cable assemblies
- Cleans male (with guide pins) and female MT ferrules
- RoHS compliant

Applications

- Telecom Central Offices
- Data Centers
- Cable Television Head End
- Outside Plant and Fiber To The Home (FTTH)
- MPO Cassette Modules
- Parallel Optics Transceivers

IBC™ Brand Cleaning Tools for MT Connectors

Part Number	Description
7104	IBC™ Brand Cleaner MPO II <ul style="list-style-type: none"> • Cleans MTP® and generic MPO connectors • Cleans male (with guide pins) and female MT ferrules • Cleans connectors loaded in a bulkhead adapter and on unmated cable assemblies • Cleans multimode (flat) and singlemode (8° angled) MT ferrules • RoHS compliant
15546	IBC™ Brand Cleaner MT38 II <ul style="list-style-type: none"> • Cleans MT based D38999 and other hardened connectors - requires adapters • Cleans male (with guide pins) and female MT ferrules • RoHS compliant
15639	IBC™ Brand Cleaner OptiTip® II <ul style="list-style-type: none"> • Cleans OptiTip-style connectors • Cleans male (with guide pins) and female MT ferrules • RoHS compliant
